## Barbara West

### Biography

Barbara West is the only parent of a 19-year-old and works as a Wound/Ostomy Nurse. Thanks to a long history of performing in theater, she uses her whole body to present a poem, usually without a mic, since her voice is plenty loud. *Full of Crow*, *Sacramento Voices* 2016, *Swarthmore Alumni Magazine* have published her work. She will be featuring with Michael Ellis at Sacramento Poetry Centre again on May 1st and then Placerville September 1st.
